- With a new introduction by bestselling and iconic novelist Haruki Murakami* This edition of F. Scott Fitzgeralds final unfinished novel is now restored to the original 1941 text, with updates by Fitzgerald scholar James L. W. West III. When F. Scott Fitzgerald died in 1940, he left behind an unfinished draft of this poignant novel, inspired by his own experience working in Hollywood as a screenwriter. Literary critic Edmund Wilson edited Fitzgeralds notes and material to publish this text of The Last Tycoon in 1941. Now, this edition restores Wilsons editorial work and includes an introduction from celebrated author Haruki Murakami. Set in Hollywood in the 1930s, The Last Tycoon tells the tragic story of a young film producer named Monroe Stahr. Exploring themes of ambition, power, and corruption, The Last Tycoon depicts Stahrs struggle to balance his personal life and professional goals with the challenges of running a successful movie studio. Based on the career of real-life producer Irving Thalberg, the head of MGM who was known as Hollywoods boy wonder, The Last Tycoon is a sharply observed and bittersweet expos of the glittering excess of the Hollywood film industry in its prime.
