It's complicated A thirty-year-old virgin gets more than he bargained for when his newfound magical power reveals he's the object of his male coworker's affections! Ever since Adachi and Kurosawa officially became an item, they've been exploring their couplehood with both trepidation and excitement. But Adachi is stressed, and for once, it's not just romance that has him angsty! Conflicted about keeping his wizard self a secret from Kurosawa, Adachi waffles and frets, looking for the right moment to let the cat out of the bag. Before he can make a decision one way or another, however, Kurosawa's birthday arrives! And when a misunderstanding forces Adachi's hand, will the big reveal be a make (love) or break (up) moment for the pair?!
