If you were granted one wish, what would it be? Seventeen-year-old Max has always been out and proud. But every time he looks around his small school, he sees straight couples everywhere. Its everything hes ever wanted for himself, but there are few queer boys to choose from. When his frustrations get the better of him, he lashes out at his best friend, Dean, and wishes he had what everyone else has. And he wishes theyd never been friends. Max gets more than he bargained for when he wakes up to find his wish has come truehis feelings for boys have vanished, and so has Dean. And he got exactly what he wanted . . . a girlfriend. With his school life turned upside down and his relationship with his family in tatters, Max sets out on a journey of rediscovery to find a way back to the life he took for granted, and the love story he thought hed never have.
