The book casts a curiously sweet spell. Entertainment WeeklyEleven Minutes tells the story of Maria, a young girl from a Brazilian village whose first innocent brushes with love leave her heartbroken. At a tender age, she becomes convinced that she will never find true love, instead believing thatlove is a terrible thing that will make you suffer. A chance meeting in Rio takes her to Geneva, where she dreams of finding fame and fortune, yet ends up working as a prostitute.In Geneva, Marias despairing view of love is put to the test when she meets a handsome young painter. In this odyssey of self-discovery, Maria must choose between pursuing a path of darknesssexual pleasure for its own sakeor risking everything to find her own inner light and the possibility of true love.
