Dont miss Magpie Murders on PBS's MASTERPIECE Mystery! "A double puzzle for puzzle fans, who dont often get the classicism they want from contemporary thrillers." Janet Maslin, New York TimesNew York TimesBestsellerWinner of the Macavity Award for Best NovelNPR Best Book of the YearWashington PostBest Book of the YearEsquireBest Book of the YearFrom theNew York Timesbestselling author ofMoriartyandTrigger Mortis, this fiendishly brilliant, riveting thriller weaves a classic whodunit worthy of Agatha Christie into a chilling, ingeniously original modern-day mystery.When editor Susan Ryeland is given the manuscript of Alan Conways latest novel, she has no reason to think it will be much different from any of his others. After working with the bestselling crime writer for years, shes intimately familiar with his detective, Atticus Pnd, who solves mysteries disturbing sleepy English villages. An homage to queens of classic British crime such as Agatha Christie and Dorothy Sayers, Alans traditional formula has proved hugely successful. So successful that Susan must continue to put up with his troubling behavior if she wants to keep her job.Conways latest tale has Atticus Pnd investigating a murder at Pye Hall, a local manor house. Yes, there are dead bodies and a host of intriguing suspects, but the more Susan reads, the more shes convinced that there is another story hidden in the pages of the manuscript one of real-life jealousy, greed, ruthless ambition, and murder.Masterful, clever, and relentlessly suspenseful, Magpie Murders is a deviously dark take on vintage English crime fiction in which the reader becomes the detective.
