Sherryl Woods is the author of Feels Like Family, a Netflix Book Club Pick! BESTSELLING AUTHOR COLLECTION Reader-favorite romances in collectible volumes from our bestselling authors. WHO DEFINES FAMILY? To Tina Harrington, the definition was simple: anyone she loved was a part of her family. Including all the people and animals she invited into her home when they had nowhere else to go. She was their safe harbor, and they were hers. And she would protect them from whoever challenged their right to be a family—namely her new neighbor, the handsome and high-powered Drew Landry. Drew was determined to ensure that Tina wasn't taking advantage of her vulnerable houseguests. But as soon as he met Tina and her unconventional family, he realized he'd made a big mistake. Because he was drawn to her like a ship to a sheltered shore. And he'd set in motion a series of events that could destroy everything she held dear. BONUS BOOK INCLUDED IN THIS VOLUME! A Cold Creek Homecoming by New York Times bestselling author RaeAnne Thayne Quinn Southerland still hadn't forgiven Tess Claybourne for the way she'd treated him years ago. But the woman tending his ailing mother was not the same girl he'd known. Could this be their second chance?
