A bond this strong cant stay broken.Life near the army base at Fort Benning, Georgia, might be small, but its safe. That suits Karina Fischer just fine. She knows letting anyone get close to her means she could get hurt, and shes had enough of that in her almost twenty-one years to last a lifetime. The only man shes ever let in, Kael Martin, betrayed her trust before they could find their way together. She cant forgive him for what hes done, but letting go still feels impossible. Kael Martins scars run deep, but the mark Karina left on him is deeper. He cant get her out of his mind or his heart. Hes ready to start fresh, adjust to civilian life, and build a future outside of the Armyone he hopes could include Karina, because their spark, while it burned, was unforgettable.Now, just when it seems their world is crumbling and cant be put back together, circumstances force them to confront what they cant deny the volatile, passionate, all-consuming love they cant live without.Karina and Kael's unlikely love story, which began in THE FALLING, grows deeper and even more intense in THE BURNING, the second book in the Brightest Stars trilogy.
