Daniels is a perennial favorite, and I might go as far as to label her the cowboy whisperer.BookPageSmall towns can house big secretsFormer cop Jasper Cole has come home to Buckhorn to ranchand to find some peace. But theres one part of his past he doesnt object to facing again. Darby Fulton acts like shes forgotten the searing one-night stand they shared in college, but to Jasper, shes as fascinating and tempting as ever. And when shes drawn into an unsettling local mystery, he follows, despite his misgivings.Bad things have been happening to Buckhorn residents, and Darbys sure it has something to do with a new store called Gossip. As a newspaper publisher, she cant ignore the story, any more than she can ignore her deep attraction to Jasper. And as their investigation reignites that spark, it also pulls them both into a twisted scheme of revenge, where secrets are a deadly weaponDont miss Under a Killer Moon, the next title in B.J.
