Dark Alpha's Hunger is the sixth paranormal romance novel in New York Times bestselling author Donna Grant's Reapers series featuring a brotherhood of elite assassins who wage war on the Fae at Death's behest--and the women who change their hearts. There is no escaping a Reaper. I am an elite assassin, part of a brotherhood that only answers to Death. And when Death says your time is up, I'm coming for you. Where Death leads, I follow. Nothing will stop me from my duty not even the darkness that claims me. It's the music that leads me from the dark, returning me to my brethren and a new foe that has risen. Learning who hunts Thea could be the key to unraveling what we need to know to defeat our enemy. The Half-Faes music stirs a passion within me that I've never known. For her, I will break my vow of silence. For her I will risk everything.
