Agent Dylan Powers tracks the bad guys right to Roxie Wolff's ski lodge and finds love where he least expected. Agent Dylan Powers is on a mission in Silver Town to catch four men hunting illegally and put them behind bars. With his heightened wolf senses, he's right on their trail, but the hunters know he's coming. Suddenly, Dylan finds himself in deep trouble, nearly drowned and left to die, until he's rescued by a beautiful she-wolf. When local ski lodge owner Roxie Wolff first found Dylan, her curiosity got the better of her. Who was this handsome wolf and how did he end up in such dire straits? Things start to heat up between Roxie and Dylan as she takes him into her home to help him recover. But with the hunters still on the run, all of Silver Town is at risk, and Roxie and Dylan must team up to take them down before they can go on to explore their explosive mutual attraction. Praise for Terry Spear's USA Today bestselling paranormal romance "The chemistry crackles off the page." Publishers Weekly for Heart of the Wolf "Essential reading for werewolf romance fans." Booklist for Alpha Wolf Need Not Apply "Spear delivers a layered suspense story." Library Journal for Night of the Billionaire Wolf
