When a guest dies in the Ba local known for being argumentative and demanding dies while staying at the bed and breakfast Brynn Warren maintains with her aunts. At first, it seems like an accident...but it soon becomes clear that there's something more sinister at work, and Aunt Nora is shaping up to be the prime suspect. There's nothing Brynn wants more than to prove Nora's innocence, and it hurts her to know that even two years ago that might have been easier. Brynn, after all, is a witch of the dead a witch who can commune with ghosts. Ghosts never remember much about their deaths, but Constance might remember something about her life that would help crack the case. But Brynn hasn't used her powers since her husband died, and isn't even sure she still can. Brynn will just have to hope that her aunts' magic and her own investigative skills will lead her to answers and maybe back to the gift she once thought herself ready to give up forever.
