Dive feet-first into the world of devil-fighting firefighters with this 3-in-1 omnibus edition of the hit manga from the creator of Soul Eater! Blaze past the anime, 600 large-sized pages at a time. Includes Vol. 7-9 of the Fire Force manga. Company 8 has been slowly working to expand their team, but they're still missing an engineer! They set out to recruit an exceptionally talented machinist named Vulcan, but they may have their work cut out for them when the recruitment effort goes sideways and fighting breaks out. In an unexpected twist, Shinra comes face to face with his long-lost brother, but the family reunion isn't a happy one. Shinra has a hidden agenda to fulfil that will test Shinra's heroic resolve. Meanwhile, the rest of Company 8 will each face their own trials.
