In thisriveting account of the future, America has ceded the heavens to the tyrants and the renegadesfrom the six-time Hugo Awardwinning author (Wall Street Journal).The US has abandoned its quest for the stars, and an old enemy has moved in to fill the void. The potential wealth of the universe is now in malevolent hands. Rebel billionaire Dan Randolphpossessor of the largest privately-owned company in spaceintends to weaken the stranglehold the new despotic masters of the solar system have on the lucrative ore industry. But when the mineral-rich asteroid he sets in orbit around the Earth is commandeered by the enemy, and his unarmed workers are slaughtered in cold blood, the course of Randolphs life is changed forever.Now cataclysm is aimed at the exposed heart of Americaa potential catastrophe that Randolph himself inadvertently set in motion. And the maverick entrepreneur must use his skills, cunning, and vast resources to strike out at his foes hard, fast and with ruthless precisionand wear proudly the mantle that fate thrust upon him: space pirate!Swashbuckling action, a likeableif machohero, and a down-to-the-wire plot.Library JournalA solid, well-plotted tale that maintains a pleasing balance and tension between the politicking, the romancing, and the action-adventure. One of Bovas best.Kirkus Reviews
