In this must-have follow-up to his landmark best-seller Phonics From A to Z, Wiley Blevins explains why quality decodable texts are an essential early learning tool and how to distinguish the good from the bad. This resource offers practical lessons and routines for using decodable texts to build childrens phonics and fluency skills, as well as tips on selecting strong decodable texts and what you can do if you dont have any. Includes fun and engaging reproducible decodable mini-books.
