From Fr. Gabriele Amorth, the renowned exorcist in Rome, comes this powerful, eye-opening book on the deadly antics of Satan and his fallen angels, as well as spiritual remedies for each. These pages provide a basic orientation in dark phenomena, succinctly explaining Catholic doctrine on the fallen angels and the innumerable manifestations. Among the many questions Fr. Amorth answers in this book are Where does the Evil One dwell in the human body? How does the Devil appear and what does he look like? What are the powers that come from Satan? Do the sins of our ancestors influence our lives? How are spiritual evils contracted? What is the state of souls in purgatory? What is the role of sacramentals in fighting off temptation? When should exorcisms and prayers of healing be performed? What happens during an exorcism? What you should do when a family member is being attacked by a demon?
