In this inspirational romance, a pregnant woman with amnesia begins to fall in love again with her estranged cowboy husband. Suffering amnesia after a car accident, Rebecca Hamilton arrives back in Serendipity, Texas, pregnant and seeking the baby's father her estranged husband, Tanner. Returning to the ranch house they once shared is her best chance at regaining her memories. But will recalling the tragic reason they separated only drive a bigger wedge between Rebecca and the man she's falling for all over again?
