A young woman struggles with matters of faith, acceptance, and love in this charming Amish romance by the author of Lorie's Heart. The Amish of Wells Landing, Oklahoma, treasure their close-knit community, and the promise of their growing families. But one young woman is struggling to choose a future that is true to both her heart and her faith... Everyone in Wells Landing has long expected Sadie Kauffman and Chris Flaud to marry despite Sadie's telling them differently. While she loves Chris, it is more as a friend than a husband. Yet at twenty-two, the plainest girl in her group, Sadie is also the only one who is still single. Perhaps it's time to be practical and marry Christ though he still has not asked. But when Sadie meets a kind, handsome Mennonite, it seems her prayers have been answered... With Ezra Hein, Sadie at last feels the joy she nearly gave up on. Unfortunately, others only feel shock that she would consider marrying an outsider. To complicate matters, Chris has finally begun talking to Sadie about their future. Distressed, Sadie will have to search her heart to recognize God's marvelous gifts to her and find the courage to accept them, challenges and all... Praise for Amy Lillard and her Wells Landing novels [A] sweetly inspirational contemporary love story... Rich with the trappings of Amish culture and tradition, the novel informs as well as entertains. Publishers Weekly An inspirational story of romance, faith, and trust... will appeal to fans of Wanda Brunstetter and Beverly Lewis. Library Journal
