Energize your relationship with this quiz book for couples Curiosity is a great way to create and sustain intimacy in relationships. Create curiosity in your relationship with quizzes that will have you competing against one another to see who really knows who best. The first part focuses on you as an individual. The quizzes shine a light on your personal likes and dislikes as you answer questions about your partners' preferences. The second part contains quizzes focused on you both as a couple. Answer questions together as a couple and compare your similarities and differences. In each part, there are light and playful themes mixed with complex and challenging ones. You'll get a chance to reminisce about your past, explore the present, and dream about the future together. Create a deeper connection with your partner and grow your relationship with this standout among relationship books for couples.
