Waking up in Vegas was never meant to be like this. Evelyn Thomas's plans for celebrating her twenty-first birthday in Las Vegas were big. Huge. But she sure never meant to wake up on the bathroom floor with a hangover to rival the black plague, a very attractive half-naked tattooed man in her room, and a diamond on her finger large enough to scare King Kong. Now if she could just remember how it all happened. In Kylie Scott's Lick, one thing is certain being married to one of the hottest rock stars on the planet is sure to be a wild ride.
