From New York Times bestselling author J. Kenner comes an electrifying holiday eBook novella. In Unwrap Me, fan favorites Damien Stark and Nikki Fairchild get ready for Christmas and this year they're both on the very naughty list. Includes a special preview of Dirtiest Secret, the provocative first novel in J. Kenner's highly anticipated new trilogy! Damien Stark is my greatest Christmas wish come true. Immensely powerful and devastatingly sexy, he can undo me with the slightest touch, and with just one glance, he can see straight into my soul. We both have dark secrets, twisted pieces of our pasts that only the other one understands. Though our fierce love and passion keeps me alive, sometimes I wonder what would've happened if Damien and I hadn't met in exactly the way we did. How would my life have been different? Would another man have laid claim to my body and my heart? Or were Damien and I destined to be together no matter the cost? Unwrap Me is intended for mature audiences. Praise for J. Kenner and The Stark Trilogy Kenner may very well have cornered the market on sinfully attractive, dominant antiheroes and the women who swoon for them. RT Book Reviews J. Kenner has written a sensually seductive storyline that catches your imagination. . . . [Release Me] will suck you in from the very start. The Reading Cafe [A] sexy and exciting ride. Fresh Fiction, on Claim Me [An] immensely satisfying series . . . The roller coaster events of Complete Me give this novel a page-turning quality. Heroes and Heartbreakers
