Death, divorce, and scandal send an American socialite to Kenya for a journey of discovery in this historical novel by a New York Times bestselling author. Paris, 1923 The daughter of a scandalous mother, Delilah Drummond is already notorious, even among Paris society. But her latest scandal is big enough to make even her oft-married mother blanch. Delilah is exiled to Kenya and her favorite stepfathers savanna manor house until gossip subsides. Fairlight is the crumbling, sun-bleached skeleton of a faded African dream, a world where dissolute expats are bolstered by gin and jazz records, cigarettes and safaris. As mistress of this wasted estate, Delilah falls into the decadent pleasures of society. Against the frivolity of her peers, Ryder White stands in sharp contrast. As foreign to Delilah as Africa, Ryder becomes her guide to the complex beauty of this unknown world. Giraffes, buffalo, lions and elephants roam the shores of Lake Wanyama amid swirls of red dust. Here, life is lush and teeming yet fleeting and often cheap. Amidst the wonders and dangers of Africa, Delilah awakes to a land out of all proportion: extremes of heat, darkness, beauty and joy that cut to her very heart. Only when this sacred place is profaned by bloodshed does Delilah discover what is truly worth fighting for and what she can no longer live without. Praise for A Spear of Summer Grass An exotic journey of redemption. Kirkus Reviews Rayburns breezy, straightforward style is a nice counterpoint to the complexity of her heroine. Publishers Weekly
