"Dom's Guide to BDSM" was specifically written for Doms/Masters. In Volume 2 of this series, we're going to focus on how to better communicate with a sub, and how to go back and forth with role playing. We're going to teach you how to express yourself, how to read your sub and look for cues, and how to go about getting a real life BDSM relationship started. We're also going to discuss how to train your sub accordingly and with a purpose. This is important and is an often-neglected part of the BDSM community. The highly sensationalized, "purely sexual" relationships you read about or see depicted in TV or movies is not the only type of relationship forged. Some relationships really are all about personal missions, self-improvement and getting in touch with suppressed inner feelings. We will cover this as well as the most important part of BDSM dominance - having a plan. You will learn how to be an excellent Dom and it all starts with a few simple steps. Note: If you have not read Volume 1 in this series (Dom's Guide To BDSM Vol. 1: 49 Must-Know Tips On How To Be The Perfect Dom/Master Your submissive Will Truly Respect & Admire), it is highly recommended that you do so before taking on this book.
