The award-winning author of We Are Okay and Hold Still returns with another beautifully crafted coming-of-age journey about embracing your past, and finding love when you least expect it; set within the Los Angeles film world. Just out of high school, Emi Price is a talented young set designer already beginning to thrive in the L.A. film scene. But her artistic eye has failed her in one key area helping her to design a love life thats more than make-believe. Then she finds a mysterious letter at an estate sale, and it sends her chasing down the loose ends of a movie icons hidden life. And along the way, she finds Ava, and at long last, Emis own hidden life begins to bloom.

and at long last, Emis own madernine begins to bloom.
