USA Today bestselling author Terry Spear combines billionaire and shifter romance in a sexy, action-packed paranormal love story with a dash of fake dating. Billionaire wolf Derek Spencer may have a rocky history with she-wolves, but there's no one better to take as his date to the latest gala than the wolf he's had his eye on ever since she applied to be his bodyguard the remarkable Kate Hanover. Kate checks all the boxes for his perfect mate she's smart, sexy, and business savvy, not to mention one of the best bodyguards around. But ever since Derek gave his bodyguard position to another wolf, Kate has been avoiding him. It's only when she reluctantly agrees to be his date to the gala that she realizes why the attraction between the two alpha wolves is undeniable, but Kate doesn't want to end up as one of the billionaire's many flings. The more time Kate and Derek spend together, the more they are in danger of falling deeply in love. Praise for the Billionaire Wolf series "Heart racing action [and] plenty of love and steamy moments." Fresh Fiction for Billionaire in Wolf's Clothing "A satisfying shape-shifter romantic adventure." Kirkus Reviews for A Billionaire Wolf for Christmas "Spear delivers a layered suspense story." Library Journal for Night of the Billionaire Wolf
