Detective Superintendent Roy Grace is haunted by the past in his latest case, and his private life, in Dead Man's Time, by award winning crime writer Peter James. A vicious robbery at a secluded Brighton mansion leaves its elderly occupant fighting for her life. Millions of pounds worth of valuables have been stolen. Within days, Grace is racing against the clock, following a murderous trail that leads him from the shady antiques world of England, across Europe and all the way back to the New York waterfronts gang struggles of 1922, chasing a killer driven by the force of one man's greed and another man's fury. Although the Roy Grace novels can be read in any order, Dead Man's Time is the ninth gripping title in the bestselling series. Enjoy more of the Brighton detectives investigations with Want You Dead and You Are Dead. Now a major BRITBOX series, Grace, starring John Simm.
