ISBN-13: 9781612129785

This trusted handbook is a must-have for novice and seasoned beekeepers alike. Now totally redesigned and featuring color photos and graphics, the second edition also includes up-to-date information on honey bee health. The go-to reference presents comprehensive yet accessible information on everything from planning hives and installing a colony to preventing disease and managing productive hives that will bear bountiful honey harvests year after year.
