As a nurse-midwife in Amish country, Amber Bradley helps expectant mothers have their babies safely at home. But when Hope Springs' new doctor arrives, he insists all maternity patients deliver at a hospital. Amber is determined to show Dr. Phillip White that the Amish have a different way of life, one he needs to respect if he expects any patients at all. But even as he becomes more a part of the community, Amber must remember his stay is just temporary. Unless she can convince Phillip he's found the home and hearth she's always been looking for.
