In the first heartwarming novel in the Shelter Bay series, New York Times bestselling author JoAnn Ross proved that your first love never really fades away...Former Navy SEAL Sax Douchett has returned home to the small coastal town of Shelter Bay, Oregon, determined to put war behind him and get on with his life which is easier said than done when everyone is hailing the former bad boy as a local hero. Adjusting to a new beginning becomes even more difficult when he unearths a long-buried secret that in turn, reunites him with a cherished part of his past that he's never forgotten. Drawn back into his life is Sheriff Kara Conway, a girl who always held a special place in Sax's heart. But as he cautiously reconnects with Kara and bonds with her young son, another long-held secret in Shelter Bay threatens their second chance at a forever-after love.
