Ted Dekkers bestselling and most beloved series together in one volume. Its an epic tale of evil and rescue, betrayal and love, and a terrorist threat unlike anything the human race has ever known. Thomas Hunter is an unlikely hero who finds himself pulled between two worlds. In our reality, he works in a coffeehouse. In the other, he becomes a battle-scarred general leading a band of warriors known as the Circle. Every time he falls asleep in one reality, he wakes in the other and both worlds are facing catastrophic disaster. In one world, Thomas must race to outwit sadistic terrorists intent on creating a global pandemic by releasing an unstoppable virus. In the other, far into the future, a forbidden love could forever destroy the Circles ragtag resistance. Thomas can bridge both worlds, but he quickly realizes that he may not be able to save either. In this mind-bending adventure, the fate of both worlds now rests on his ability to shift realities through his dreams and somehow, find a way to change history. Four novels. Two worlds. One story. Praise for the Circle series As a producer of movies filled with incredible worlds and heroic characters, I have high standards for the fiction I read. Ted Dekkers novels deliver big with mind-blowing, plot-twisting page-turners. Fair warning this trilogy will draw you in at a breakneck pace and never let up. Cancel all plans before you start because you wont be able to stop once you enter Black. Ralph Winter, Producer X-Men, X2 X-Men United, Star Trek V Final Frontier Bestselling epic fantasy series One volume that contains all four novels in The Circle series Black, Red, White, and Green Includes an alternate ending to Green Bonus interview with the author
