A masterful epic of magic, politics, war, and the power of love and hate from the renowned author of *The Fionavar Tapestry* and *Children of Earth and Sky*. *Tigana* is the magical story of a beleaguered land struggling to be free. It is the tale of a people so cursed by the black sorcery of a cruel despotic king that even the name of their once-beautiful homeland cannot be spoken or remembered... But years after the devastation, a handful of courageous men and women embark upon a dangerous crusade to overthrow their conquerors and bring back to the dark world the brilliance of a long-lost name... *Tigana*. Against the magnificently rendered background of a world both sensuous and barbaric, this sweeping epic of a passionate people pursuing their dream is breathtaking in its vision, changing forever the boundaries of fantasy fiction.
