Odin has no interest in worthless wolves...Which suits me just fine. I'm a dancer, a college student not a warrior. I'll leave the battle against mythological monsters to Robbie and the other fighters in my pack. I don't even have my wolf yet. But then the fight finds me, and it turns out, I'm not so worthless after all. Odin does want me and my magic. Except, if I'm so valuable, why does Robbie my fated mate still want me to leave? My wolf insists Britta is ours...But I'll fight fang and claw to set her free. My mate's going to conquer the dance world, not bury her dreams in the Montana mountains, like my mother did. Fighting psychotic wolves who want to end the world is my calling, not hers. But then her wolf rises, and everything changes. Now, I'll have to battle both desire and destiny to keep her safe even if it kills me.\*\*\*If you love fated mates, sassy heroines, and growly, protective Alpha heroes, you'll adore Wolf's Kissa standalone, action-packed, friends-to-lovers paranormal romance set in the contemporary fantasy world of the Norse gods! Praise for Wolf's Kiss: "Once again Madelyn has knocked it out of the park with this tale." Diana K., Booksprout Praise for Wolf's Reign: "Fascinating, sexy, and thoroughly satisfying."
