New York Times and USA TODAY bestselling suspense author Blackstock asks, When truth doesnt make sense, will lies prevail?Crisp prose, an engaging story, and brisk pacing make this thriller another home run for Blackstock.Library Journal, starred reviewCathy Cramer is a former lawyer and investigative blogger who writes commentary on high-profile homicides. When she finds a threatening note warning her that shes about to experience the same kind of judgment and speculation that she dishes out in her blog, Cathy writes it off as mischief . . . until her brothers wife is murdered and all thefacts point to him. The killer has staged the crime to make the truth too far-fetched to believe. Working to solve the murder and clear her brothers name, Cathy and her two sisters, Holly and Juliet, moonlight as part-time private investigators. Juliet, a stay-at-home mom of two boys, and Holly, a scattered neer-do-well who drives a taxi, put aside their fear to hunt down the real killer.Stakes rise when their brothers grieving five-year-old son is kidnapped. As police focus on the wrong set of clues, the three sisters and their battered detective friend are the only hope for solving this bizarre crime, saving the child, and freeing their brother.Full-length Suspense NovelIncludes Discussion Questions for Book ClubsPart of the Moonlighters seriesBook One Truth Stained LiesBook Two DistortionBook Three Twisted Innocence
