Food blogger Hope Early takes on a cold case that's heating up fast . . . Building on her recipe for success with her food blog, Hope at Home, Hope is teaching her first blogging class at the local library in Jefferson, Connecticut. She's also learning about podcasts, including a true-crime one called Search for the Missing, hosted by Hope's childhood friend, Devon Markham. Twenty years ago on Valentine's Day, right here in Jefferson, Devon's mom disappeared and was never found. Finally Devon has returned to solve the mystery of what happened to her mother and she asks Hope to help. The next day Hope discovers Devon's apartment has been ransacked. Her laptop with the research on her mother's cold case is missing, and Devon is nowhere to be found. When her friend's body is later discovered in a car wreck, Hope is convinced it's no accident. Clearly, Devon was too close to the truth, and the cold-blooded killer is still at large in Jefferson. Now it's up to Hope to find the guilty party before the food blogger herself becomes the next subject of another true-crime podcast . . . Includes Recipes from Hopes Kitchen!
