A pet detective on the hunt for a prominent pooch is found dead, and inn owner Holly Miller has to sort through her guest list for suspects in this all new PawsThe venerable citizen has hired a pet detective who has some personal ties to Hollys new guests. His presence ruffles some feathers, and when the PI is found DOA not long before the ball, Holly wonders if one of the WAG ladies had a motive for murder. To make matters worse, some pet-loving guests of the ball nearly suffer the same deadly fate. Holly and Trixie will have to sniff out the clues and leash a callous killer before they strike again....
