Tinker Bell, banished from her homeland for doing the unthinkable, selling the hottest drug in Neverland-pixie dust-wants absolution.Determined to find a way home, Tink doesn't hesitate to follow the one lead she has, even if that means seducing a filthy pirate to steal precious gems out from under his...hook.Captain Hook believes he's found a real treasure in Tink. That is, until he recovers from her pixie dust laced kiss with a curse that turns the seas against him. With his ship and reputation at the mercy of raging storms, he tracks down the little minx and demands she remove the curse. Too bad she can't.However, the mermaid queen has a solution to both of their problems, if Tink and Hook will work together to retrieve a magical item for her.As they venture to the mysterious Shrouded Isles to find the priceless treasure, their shared nemesis closes in. However, his wrath is nothing compared to the realization that achieving their goal may mean losing something they never expected to find-each other.The swagger and adventure of Pirates of the Caribbean meets the sexy banter of The Hating Game with a healthy dose of steam in this retelling of Peter Pan that's far from the Neverland you know.
