Everything's bigger in Big Sky country, including the hearts of the Montana Men Wide open sky, rolling green hills . . . Gillian Tucker could get used to life in the country one far from the violence she left behind in San Francisco. Warily accepting an invitation to the Montana ranch that belongs to her grandfather, a man she's never met, Gillian hopes this is the haven she seeks. A sexy, overbearing cowboy who shines a light on her well-hidden dreams is not at all part of her plans. Blake Bowden's reckless past is far behind him, and as a newly named co-owner of Three Peaks Ranch, he's not taking any chances. Until a beautiful, haunted woman arrives, igniting a desire he shouldn't feel. His partner's granddaughter is strictly off limits. But the longer Gillian's there, the stronger the pull grows between them. And when a new danger surfaces, Blake will do anything to keep her safe even if it means risking everything for her heart.
