The national bestseller. Write. Burn. Repeat. Now with new covers to match whatever mood you're in. "This book has made me laugh and cry, filled me with joy, and inspired me." -TikTok user camrynbanks Instagram, WhatsApp, Snapchat, TikTok, VSCO, YouTube...the world has not only become one giant feed, but also one giant confessional. Burn After Writing allows you to spend less time scrolling and more time self-reflecting. Through incisive questions and thought experiments, this journal helps you learn new things while letting others go. Imagine instead of publicly declaring your feelings for others, you privately declared your feelings for yourself? Help your heart by turning off the comments and muting the accounts that drive you into jealousy for a few moments a night. Whether you are going through the ups and downs of growing up, or know a few young people who are, you will flourish by finding free expression even if through a few tears! Push your limits, reflect on your past, present, and future, and create a secret book that's about you, and just for you. This is not a diary, and there is no posting required. And when you're finished, toss it, hide it, or Burn After Writing.
