Dying isnt an option. Ive survived a kidnapping and now Im on the run from the Knights of the Dragon who want my gift. Im Abigail Owens and I can sense gemstones. Theres nothing a dragon loves more than treasure. But when I find a beautiful stone at a tiny shop in Moscow, I have no idea its a drakon tear, or that Ive just put myself in the middle of a war between the Knights and a Drakon. I guess Im just lucky like that. The only person I trust even a little is Vasili Zima, which is weird since Im not sure if he wants to kill me or protect me. Im drawn to him in a way I hadnt thought possible, and he feels the same way, or he wouldnt be risking his life to help me. Hes wanted by the bad guys just as much as I am, and staying with me, well, theres a hundred percent chance Im about to get us both killed. But I will not be going down without a fight. The Blood of the Drakon series is best enjoyed in order
