It's party time in Las Vegas when four former college roommates and best friends converge on Sin City. Add in a crazy drunken bet about finding the "one that got away" to see if there's a spark still burning after all these years-how bad could it be? That's what Charlotte "Charlie" King thinks after agreeing to the foolish bet. Her friends convince her to reconnect with the one man she's been unable to forget. Only there's a catch-he's the older brother of her former fiance. Rodeo star Jared Drake is in Las Vegas for the Grand National finals. He's shocked to see Charlie at the arena. The split between her and his brother wasn't pretty. Plus, he feels partly responsible for their breakup, since the chemistry between him and Charlie was off the charts from the moment they met. Misunderstandings and lies kept them apart four years ago. Can they find a way past all their obstacles and take a chance on finding a path to happily ever after or will the lies from the past drive them apart forever?
