The K Teams latest case a recent unsolved murder gives Corey a chance to solve "the one that got away". Corey knew the murder victim from his time on the force, when he was unable to protect her in a domestic dispute. Now, he is convinced the same abusive boyfriend is responsible for her murder. With some help from Lauries lawyer husband, Andy Carpenter, the K Team is determined to prove what the police could not, no matter the cost. What they uncover is much more sinister than they could have imagined.
