A twist of fate makes them roommates. Will they finally act on their feelingsor miss their chance forever? A friends-to-
lovers, forced proximity hockey romance in the Storm Brothers series by USA Today Bestselling author Melissa Belle. Jared
Storm and I grew up friends. No, not the kind of friends like in the movies where it sometimes turns romantic. Jared was a
star in our town, and I didn't want to shine just because of his light. Besides, I had my own secrets to keep. He moved away to
become a hockey star, and I stayed in New Orleans.I thought I'd live there forever.Just like I thought I'd never sleep with
Jared Storm.But sometimes life takes a hard left turn.And you have to be ready for the bumps along the way.
