Now in paperback! A story of what to do when you get burned by the magic youve been looking for all your life from the author of the National Book Award finalist The Way Back. Twelve-year-old orphan Eva Root travels the country pretending to channel spirits at sances. Her audiences swear their loved ones have spoken to them from beyond the grave. This, of course, is impossible. But one day, Eva experiences another impossibility she hears a voice in her head telling her to come to the Worlds Fair in Chicago. There, she meets a mysterious magician who needs her help to bring magic to life. But as their work progresses, Eva begins to suspect that the project's goals may not be as noble as they seem. And when tragedy strikes, Eva will have to reach beyond death itself to unravel the mystery of the magician's planbefore its too late. tags:
