Scotland, 1314-After the Scots reclaim Edinburgh Castle, Alasdair MacAuley only wants to celebrate. But the revels are interrupted by an old crone who claims the castle's true owner is the legendary witch Morgaine le Fee. Dared by his fellow warriors to go meet the witch, Alasdair heads down a flight of stairs-and tumbles right into another century...Scotland, 1998-American Morgan Lafayette is in Scotland to enjoy the history, not to ogle men in kilts. So when she stumbles upon a brawny man in a kilt, she is less than enthralled. She is certain he's drunk for he claims Morgan is a powerful sorceress who has brought him to her magical kingdom! Despite her reluctance, she is intensely drawn to this handsome Highlander and the mystery surrounding him, a mystery that has the power to alter history-and her heart-forever..."The Last Highlander is a tremendous time travel tale that stars two wondrous lead protagonists. The brisk story line will grab onto readers from page one and not let go until the story is complete."-Affaire de Coeur"A delight!"-The Toronto Star
