ISBN-13: 9781607749707

From the authors of the bestselling and genre-defining cocktail book *Death & the Cook*, *Cocktail Codex* is a comprehensive primer on the craft of mixing drinks that employs the authors' unique root cocktails approach to give drink-makers of every level the tools to understand, execute, and improvise both classic and original cocktails. **JAMES BEARD AWARD WINNER** **WINNER OF THE TALES OF THE COCKTAIL SPIRITED AWARD FOR BEST NEW COCKTAIL OR BARTENDING BOOK NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY CHICAGO TRIBUNE** There are only six cocktails. So say Alex Day, Nick Fauchald, and David Kaplan, the visionaries behind the seminal craft cocktail bar *Death & the Cook*, *Cocktail Codex*, these experts reveal for the first time their surprisingly simple approach to mastering cocktails: the root recipes, six easily identifiable (and memorizable!) templates that encompass all cocktails: the old-fashioned, martini, daiquiri, sidecar, whisky highball, and flip. Once you understand the hows and whys of each family, you'll understand why some cocktails work and others don't, when to shake and when to stir, what you can omit and what you can substitute when you're missing ingredients, why you like the drinks you do, and what sorts of drinks you should turn to or invent if you want to try something new. Praise for *Cocktail Codex*: Learn the template, and any cocktail you can think of is within reach. *Food & Wine*: Too bad all college textbooks weren't this much fun. *Garden of Eatin'*: A must for amateur and pro mixologists alike. *Chicago Tribune*: If *Dora the Explorer* turned twenty-one, split herself into three people, and decided to write the Magna Carta of booze books, this would be the result. And, unlike every other book you'll read this year, *Cocktail Codex* is packed with actual knowledge you can use in the real world. Please, please, can *Cinema Codex* be next? *Steven Soderbergh*, filmmaker
