Bailey's Farmer's Market is all abuzz with the impending visit of the Central South Carolina Restaurant Association. Becca is quite excited, especially since her parents are visiting. But when the president of the Association vetoes Becca's strawberry preserves, she finds herself reeling from the snub. After pulling herself together, Becca heads home, only to find the president's body in her kitchen and her mother with bloody hands. Now, Becca has to use her sleuthing skills to get her mom out of this terrible jam...before she winds up preserving in prison.
