The Campbell Awardwinning authors follow-up to Tea with the Black DragonWow! MacAvoy's done it again (Anne McCaffrey, New York Times bestselling author). Mayland Long, aka the Black Dragon, has been enjoying a peaceful relationship with Martha Macnamarabut suddenly they face threats from seemingly every side. A wild psychic force is loose in the world; Marthas three-year-old granddaughter has been kidnapped; and one of her Celtic musician friends has been found dead, hanging by a rope of twisted grass. Now the Black Dragon must use his wits to rescue the little girl and hunt for a killer... even if it brings him to a horrifying realization. In this novel, the author of The Book of Kells returns to the modern-day California of Tea with the Black Dragon, blending fantasy, mystery, Chinese lore, and a timeless love story as she so masterfully did in her debut, which earned nominations for Nebula, Hugo, World Fantasy, and Philip K. Dick Awards.MacAvoy supports her tale with a superbly drawn cast of characters... and her usual superior command of language (Booklist).
