Learn to read with the classic Amelia Bedelia! Ever since Amelia Bedelia made her debut in 1963, young readers have been laughing out loud at the antics of this literal-minded but charming housekeeper. Amelia Bedelia is helping out at the library! She may not know the difference between a stegosaurus and a thesaurus, but Amelia Bedelia will go to any lengths to make reading fun. This Level 2 I Can Read is perfect for kids who read on their own but still need a little help."No child can resist Amelia [Bedelia] and her literal trips through the minefield of the English language and no adult can fail to notice that she's usually right when she's wrong."The New York Times Book Review
