THE HAREM KING IN THE LAND OF CENTAURSDaisuke Kurimusubi wants to be the Creature Girl Harem King, and the next candidate to join his coterie of demi-human beauties is a centaur maiden. But winning her over requires winning over her tribe! Despite the centaurs' deeply unorthodox approach to sexuality and gender roles, Daisuke's managed to establish a position for himself in the centaur village and win a little bit of their respect. The looming problem, however, is the horde of minotaurs plaguing the nearby grasslands. Before Daisuke can find the right way to deal with them, conflict suddenly breaks out! It's a battle between the minotaurs and a band of trolls and orcs!
