Tantor Audio&eBooks Include PDF eBooks"Neither are any wars so furious and bloody, or of so long a continuance, as those occasioned by difference in opinion, especially if it be in things indifferent." —Gulliver's TravelsShipwrecked and cast adrift, English surgeon Lemuel Gulliver wakes to find himself on Lilliput, an island inhabited by little people, whose height makes their quarrels over fashion and fame seem ridiculous. His subsequent encounters—with the crude giants of Brobdingnag, the philosophical Houyhnhnms, and the brutish Yahoos—give him new, bitter insights into human behavior. Jonathan Swift's satire views mankind in a distorted hall of mirrors as a diminished, magnified, and finally bestial species, presenting us with an uncompromising reflection of ourselves. Gulliver's Travels is a fascinating blend of travelogue, realism, symbolism, and fantastic voyage—all with a serious philosophical intent.Includes Companion eBook*• Automatic start-up with full instructions• Easy keyword navigation and search• PDF format; printable; eReader friendly• Includes searchable table of contents
