Fiona Fleming hasn't lived in Reading, Vermont in over a decade, her escape from small-town living leading her to New York City and a life of adventure. An adventure that has left her with no career, an ex who cheated on her and zero plans for the future. Her grandmother's death grants her a new chance-inheriting Petunia's, Iris Fleming's bed and breakfast, seems like the ideal fresh start. But when Fee finds out ownership of the property Iris willed her might be in question, she's drawn into the seedy underbelly of the cutest town in America after being singled out as the main suspect in a murder.
